Henna by HiSUGARS

NATURAL HENNA

Made from Lawsonia inermis (daun pacar) leaf powder. 100% natural, no synthetic ingredients.
Color develops naturally through oxidation — from orange to reddish-brown over 48–72 hours. Lasts 6–10 days.
Color & intensity depends on your skin type, skin moisture, how long the paste is left on, and aftercare.

INSTANT HENNA

Designed for fast results. Dries in 10–15 minutes, peels off immediately. Produces a red to maroon tone. Lasts 4–7 days.
Color & intensity depends on your skin type and skin moisture.
Ingredients: henna powder, water, and maroon synthetic dye.
BPOM registered and skin-safe.
